Einige Zitate über Binder Grösswang aus dem *Chambers Europe Guide 2015*:

on Banking & Finance

Hugely impressive team known for both its transactional and regulatory expertise. Boasts particular strength on international acquisition and project financings, as well as on PPP. Also handles syndicated loans, structured financings and supervisory law matters. Strengths (Quotes mainly from clients): "An excellent team with a responsive and commercial approach."

on Competition/European Law

Market-leading competition team held in high esteem by peers and clients alike. Active on the full range of antitrust matters, and recognised for its involvement in major vertical agreement investigations as well as private enforcement and merger control proceedings. Particularly active in abuse of dominance cases of late. Strengths (Quotes mainly from clients): "The team is easy to reach and gets the work done. It has a deep understanding of the mechanics of the industry, for example who the relevant people are to speak to, and understands how the cartel court works. I have an excellent impression of the firm."

on Corporate/M&A

Leading Austrian firm noted for its ability to handle highly complex, multinational transactions. Handles the full spectrum of corporate and M&A work, including cross-border mergers, acquisition of distressed assets and international reorganisations. A top choice for clients from the energy and finance sectors, as well as heavy industry. Strengths (Quotes mainly from clients): "We appreciate the deep involvement of the partners, as well as their vast experience. The team has a very broad knowledge base which allows it to advise on the full range of legal aspects of an M&A transaction."; "I consider BINDER GRÖSSWANG a premier Austrian law firm – dedicated, pragmatic, diligent and responsive."

on Dispute Resolution

Climbs to the top band this year on the strength of excellent feedback for its outstanding litigation practice. Superb track record in the financial sector, especially regarding investor claims, with a growing presence in the IT, automotive and transport industries. Regularly involved in high-profile arbitration matters. Strengths (Quotes mainly from clients): "The firm has a very strategic approach. It is great at dealing with judges and can foresee the next move of the other side, which is one of the main reasons for our success." "The lawyers have brilliant experience representing clients in court and perfect knowledge of the case." "The team not only sticks to the letter of the law but also thinks above, beside and underneath it and tries to implement a solution."
